How to withdraw funds from your trading account

1. If you have Not previously made a deposit

The minimum amount that you can withdraw is **50** (USD, GBP or EUR) via wire-transfer. This must be your profit and cannot include any Trading Credits that have been given to you. We can only refund your profit to your bank account (wire-transfer). No other methods are possible. Please use the following instructions for making a Withdrawal.

A. Use the Withdrawal form that can be found in the Withdrawal section of the website:

<https://hiroseuk.com/form/withdraw/form.cgi>

B. Please send your Bank details to payment@hiroseuk.com along with a copy of your bank statement. Your bank details should include your name, your bank name, your bank account number and the IBAN/SWIFT code

- The **minimum** withdrawal amount for an International Wire Transfer is: 50GBP, 50 USD, 50 EUR.

There is an £8.50 bank charge per transaction. This will be converted into an amount equivalent to your base currency.

※You may incur additional fees from your bank when international wire transfer funds are returned to your beneficiary bank. These fees can vary from country to country so please check with your own bank.

2. If you have already made a deposit by Credit/Debit, Skrill (Moneybookers), Neteller or FasaPay.

We can refund your withdrawal via the same method that you made a deposit.

※Please note that funds will not be debited from your trading account at the time you have made a withdrawal request. We will process your withdrawal request once a day after 05:00AM (GMT) and it is at this point in time that funds will be debited from your trading account. A notice will be sent to you by email once we have processed your payment. Due to 3rd party payment methods and delays beyond our control, receipt of funds may take up to 5 business days to complete.
